

NOVEMBER NEWSLETTER 2025

Dear Members

It is so mild at the moment and my garden is still full of colour with the dahlias and salvias putting on a show. The trees have also been spectacular this year. Next week it is apparently going to be getting colder.

We had a really good turn out for our AGM on Monday so thank you to all of you who came out on a pretty cool, windy evening. The AGM was over in exactly 12 minutes with no questions from the floor. We gave a presentation to Angela Campbell-Horne to thank her for her many years of service to the Club. The Club got her a lovely pot with an Hebe in full flower and gave her a Lifelong Membership of the Midhurst Garden Club. The evening finished off with one of Annie's lovely quizzes and lots of cake made by the fair hands of your Committee. Needless to add, there were no nominations for the Committee, so we had a block vote for the remaining members and so other than Angela resigning we stand as we were.

Our next meeting is on **15 December** (please note the change of date from your membership card) We will be welcoming Peter Allen to speak on 'Oh No it Isn't' - A History of Pantomime. After the talk there will be lots of lovely festive food with wine and/or soft drinks. As we need to know the number of people attending for catering purposes, please let Nel know you are coming and she will put you on the list. **This is free to members and their guests but we need to know who you are and how many you will be bringing. Please ring Nel on 01730 816552. Let us know by no later than 8 December 2025**

Your membership is now ready for renewal and you will be able to pay this online. You have until the end of February 2026 to renew your membership and the form is below for you to complete and return to Sue Walchli. Details on how to pay is on the form. The sooner you get your membership card, the sooner you will find out what is happening with the club in 2026. Don't forget that you can pay and pick up your new membership card at the next meeting and at the meeting in February 2026.

We look forward to seeing you at our last meeting of the year.

Thank you for all of your support this year. The committee really appreciate those that have volunteered to help with ticketing, raffle, manning the front desk and hosting the refreshments each meeting.
